

August 17, 2017

Dear Third Grade Parents,

We are excited to announce that third grade students will be participating in the Make-a-Splash Water Safety Program at the community pool in September. This program offers a series of three swim lessons at no charge to third graders at our school. More details about the program will be coming home later this month.

The 8th annual Community Pie Festival will be held on Saturday, September 2 from 4:00-7:00pm. This wonderful event is sponsored by FOR Swimming and all proceeds from this event will go to support the community pool and its Make-a-Splash program. For more information please visit www.rockbridgepiefestival.org. You can support the program in three ways:

1. Donate money so that each third grade class can sponsor a pie. Donations will be accepted through August 29th. Please make checks payable to FOR Swimming. All donations should be sent to your child's third grade teacher. We will also have a donation basket at Back-to-School Night.
2. Purchase a pie by either preordering on the website or attending the festival.
3. Attend the pie festival. You can purchase pies by the slice.
